

ACURA PRESENTS ULLMAN SAILS LONG BEACH RACE WEEK
JUNE 26 - 28, 2009

COMPETITORS INFORMATION

Many thanks for entering Ullman Sails Long Beach Race Week.

Registration is open at Long Beach YC on Thursday from 1200 until 1800 and on Friday morning 0800 until 1000.

Don't miss the Dave Ullman speed talk on Friday morning at 1000, which will be immediately followed by the competitors briefing at 1030.

Hoist Launched Boats

Alamitos Bay Yacht Club has two hoists rated at 5,000lb and 2,000lb respectively. If you can launch and retrieve your boat on the smaller hoist, please do so as it will speed up the process for everyone.

Please be aware that we have approximately fifty boats that will be launching so have some patience and allow sufficient time. Volunteers will be present to help with hoist operations and so things should move fairly quickly.

Schedule of Events

A full schedule of events is available on the web and provided to each boat at registration. http://www.lbrw.org/2009_Documents/2009_LBRW_Regatta_Schedule.pdf

Thank you again for entering Long Beach Race Week, we look forward to seeing and think it will be a great regatta
