ALAMITOS BAY MARINA AERIAL VIEW

MOORINGS

The aerial view of Alamitos Bay shows the basins & gangways in the Marina. Due to the ongoing improvements of the Alamitos Bay Marina some gangway numbers are

duplicated, therefore gangways should be referenced by both the basin and gangway number

Visiting boats will be assigned to specific endties in basins 1, 2, 3, or 4; alternatively to either ABYC basin 5 or the LBYC long dock.
